

We Believe in Life!

Sep. 2026

Who We Are

- Pharmazac is a science-based healthcare company focusing on quality, reliability and innovation
- With its headquarters in Greece, Pharmazac is a top investor in S.E. Europe with two state-of-the-art manufacturing facilities and two contemporary R&D centers
- It is an integrated pharmaceutical organization with a strong presence nationwide and a constantly growing presence internationally
- Pharmazac invests in its robust R&D team focusing both on pharmaceuticals and radiopharmaceuticals

Our Current Strategic Vision

Focus on investing in R&D,
manufacturing, IP and technology

Vision for organic, in-house and
vertically integrated growth

Emphasis on agility, flexible
management and a partner-centric
approach

Passion for innovation, new
developments and global expansion

Happy
anniversary:
40 years of
continuous
growth
